Let the train of your future run

**Your possible future is like a train ride.
Try it out!**

But don't forget:
This is a game - don't take it too seriously. ;-)
There are a lot of tracks you can choose!

Mindset:
There is not just
one way to go –
embrace
lifelong learning
and un-straight
careers!

Start here with the locomotive

This is the train to your future.

Drag by chance a track out of the bag and connect it with the tracks on the table.

Now decide which way your train should go and let it drive.

What have you learnt?
For each switch you
take:

**Choose one of the
skills you learned
and
load it to a carriage
for your train.**

**Start again
with step 1**
