Making your workplace climate friendly

**You are a manager at work.
Your task: Make your workplace
climate-friendly!**

Mindset:
There are various
ways to make
professional life
climate friendly

Your workplace now

Check out the
current status of the
workplace on the
table.

2

Becoming climate friendly!

Discuss and decide on the three categories in which you would like to introduce a climate-friendly alternative.

Put the alternative polygons on top of the old ones in the changed categories.

3

Document your concept

Document the CO_{2e}⁻ emissions of your new workplace into the table and discuss your results and decisions.
